## CASE STUDY

---

Drawing inspiration from the cosmos, this collection marries the resilience of stone with the allure of wood.

### Elevate your space with VinylNova flooring

#### PROJECT HIGHLIGHT

This stunning home showcases the rich, inviting tones of Copper from the VinylNova Collection, a flooring choice that radiates warmth and sophistication. Featured prominently in high-traffic areas such as hallways, staircases, and living spaces, Copper enhances the home's contemporary design while providing unmatched durability.

- **Timeless Elegance:** The deep copper hues bring warmth and richness to every room, complementing fireplaces and architectural details with an inviting glow.
- **Uncompromising Strength:** Built with Rigid Stone Core technology, Copper withstands the demands of daily life, making it an ideal choice for both bustling common areas and serene bedrooms.
- **Effortless Comfort:** The attached EVA foam underlayment ensures a soft, quiet step, while the UV-coated, tempered finish preserves the floor's beauty for years to come.

Step inside and experience how VinylNova Copper seamlessly merges durability, comfort, and refined style.

#### ABOUT US

At Garrison Collection, we craft and distribute stunning flooring and wall coverings designed to stand the test of time. Each product reflects our dedication to exceptional design and expert craftsmanship. We understand your desire for beauty and your need for enduring quality, delivering flooring that you'll be proud to showcase for years to come.

## Copper – VinylNova Collection – Los Angeles, CA

### Built for High-Traffic Elegance

Designed to withstand the demands of everyday life, Copper flooring offers a water-resistant surface and superior durability, making it perfect for the busiest areas of this home. Whether installed in hallways, staircases, or by the fireplace, its painted V-Groove edge and rich copper tones create a seamless, sophisticated look.

### Luxury Meets Resilience

With a Rigid Stone Core and EVA foam underlayment, this flooring provides not only exceptional strength but also a comfortable feel underfoot. The UV-coated, tempered finish ensures long-lasting beauty, making Copper a striking yet practical choice for any interior.
