Inspire Your Space

The island of Capri has long been a symbol of creative inspiration and rejuvenation for influential artists the world over. Inspired by this legacy, the Château Capri collection delivers elements of art, nature, and elegance to your space. Made exclusively from certified European white oak, our wood floor artisans wire brush the luxurious 5 mm wear layer revealing the stunning cathedral graining of the wood. Our proprietary reactive stain technology plays on the natural tannins of the wood highlighting the rich variation and unique beauty of each individual tree. The 9½" wide planks are hand-finished with plant-based, VOC free WOCA hard wax oil, ensuring a durable and easily maintainable final product.
